

“Let’s rock outside
the roll” Chef Tracy Griffith

Investor Prospectus

Confidential

★ The Outlaw has a strong sense of environmental responsibility:

- ★ We insist on sourcing **organic foods** for their superior taste, high nutritional value and reduced risk of exposure to the toxins associated with factory farming practices.
- ★ We also maintain a **commitment to locally and regionally** produced foods.
- ★ **Composting & recycling** are core operating principles.
- ★ Our stores will be built with **sustainable** wood materials, recycled building supplies, and energy-saving appliances.
